GOLF ACADEMY

Test Valley Junior Golf Academy

Aidan Boxall – Golf Academy Manager:

01256 771737 option 1 or email: aidan@testvalleygolf.com

The School

Gives every child the chance to give golf a go. We employ the best golf professionals and teach all aspects of golf including rules and etiquette. We cater for the raw beginner and the budding professional to be. We use the GLF online system, which sets the children targets. Certificates are awarded when the different levels have been completed. The children get to have a log on page to enter data. The golfers get to keep their own working folder, which is included in the fees. We have state of the art video analysis equipment, which is used regularly by the children. Children have the opportunity to play on our special 9-hole course and special handicaps are achieved and competitions run to help with the learning process.

Our Aims

Are to encourage children to firstly enjoy golf and then through regular attendance improve their technique in all aspects of the game. With the long-term goal of joining a golf club and gaining a handicap. Rules, etiquette and course management will also be covered well in the classes. The lessons are 1 hour in duration and extra lessons are put on in the holiday times for those who wish to do more. We may also have field trips out to watch professionals play golf.

Fees

The fees are paid quarterly in advance and should be paid before the beginning of the new quarter to confirm continuation. The fees are £99.00 per quarter for 1 child and £180.00 for two. Fees still need to be paid even if you miss a lesson. The quarters start January, April, July & October for anyone wishing to start. Any child who wishes to start in between these dates will go onto a waiting list and can join in on weekly lessons to get you through to the beginning of the quarter. All cheques should be made payable to Test Valley Golf Club. £10 is also needed for each level passed in the school to pay for their workbook and certificate.

Facilities

Include a 10 bay covered driving range, grass hitting area, short game practice area for chipping & pitching, x2 practice bunkers, putting green and a classroom for video coaching.

18 hole golf course.

There are bar and catering facilities available for parents who wish to wait on site. Lessons are **never** cancelled due to the covered range.

Coaches

All our coaches are PGA registered and have all necessary DBS & safeguarding children certificates. We will have assistant coaches and helpers at times all with relevant documentation necessary to assist.

Queries

If you have any queries, please do not hesitate in contacting us. I would like to hear of any problems any child is having. I hope your child enjoys his/her tuition with us. We do have times between lessons to come and have a chat about the golf school.
